**The Fourth Graders from Central Elementary will be learning to bake bread!** They'll learn about nutrition, kitchen safety, a bit of science and math, and the importance of following directions, all with the goal of increasing their sense of hope by giving them some self confidence and usable life skills. And – they'll receive supplies and a recipe so they can duplicate it all at home!

**You can help!** You can help them measure and knead, or you can help escort the children as they walk from Central Elementary to our kitchen.

**Please come take part in this outreach ministry!** Its so much fun for the children – and for us – and your presence will allow more children to attend!

**Call Kathy Talley at 304-757-0557 if you can assist or if you have any questions.**

There is a signup sheet posted in the overflow.
