

“Honest Doubt, Honest Faith”

John 20: 19-31 | 04.16.23

Sermon Recap

- Thomas is known as the doubting disciple, because he wanted to see the wounds to be sure that it was indeed Jesus.
- People who had doubts can often feel that way, because they have questions that they are not getting the answers they need.
- What one person needs to move forward on their faith journey may not be what another person needs, for multiple reasons.
- There is no right or wrong way or time to have “Honest Faith”
