

“My Story is His Story”

John 14: 1-14, 6.11.21

Sermon Recap

- In looking at social media a question was to individuals, "what was troubling to them" and most answered; mass shootings, violence, addiction issues, racism towards many different groups.
- Sheila spoke of the way she has been troubled since her Mom had her stroke in late April and the love, support and Prayers she has received from St. Andrew. She also spoke of the way God has been with her through this journey, even carrying her when she was not strong enough to walk on her own.

Questions for Reflection and Discussion:

1. What is weighing on your heart?
2. Has there ever been a time when St. Andrew showed you the love and support, that Sheila mentioned?
3. How can we show others that same love and support on a daily basis?
